Homeschooling class 10 English. - week 13

Hi everybody,

I've got your texts and most of you already got my reply. If not, you will get an answer this week.

This will be your tasks for the following weeks:

After a lot of reading and writing last week, this week is about talking.

There will be three tasks, two with a partner (1,2), and one alone (3). The order doesn't matter.

Choose a partner and fix two dates for a speaking (phone/internet call etc.). You may as well work in group of three. It's your responsibility to call someone.

Make sure you have learned last week's wordbanks. This week you will need them!

1. **Biden vs Sanders**

Take your notes and tell each other what you've found out. Make sure it is not a monologue, but that both of you ask questions and interact with each other (no matter if you had the same candidate or not). Use the discourse markers on p. 128, of course!

2. **Speaking - Dialogue / mediation**

Here you will find your tasks:

https://za.schleswig-holstein.de/docs/2018/ab_MSA/MSA_Englisch_2018_sprachpraktisch.pdf

Choose dialogue 2 and 3.

Mediation 3 and 6.

The challenge is to explain the unknown words in English. No dictionary during speaking tests.

3. **Monologue**

Choose two monologues. 7 and 8. Register yourself and listen to you. Repeat if you want to.

4. <https://za.schleswig-holstein.de/content/msa.php?group=66&ugroup=0>

Here you will find all the former exams and tasks. Use them to practice, as well during holidays.

5. **extra: Get tested -**

That is all for this week! Nothing to send in this time!

Enjoy your holidays and get prepared!
